

Deadlines for Spring 2024

## **GUIDE TO GRADUATING**

M.S. in Chemical Physics – NON-THESIS Option

### **1. Check the Requirements**

Ensure you have met (or *will meet* by the end of the semester) all the requirements to earn a M.S. in Chemical Physics [here](#).

### **2. Apply for Graduation**

Submit the [Application for Graduation](#) by **February 6, 2024**.

Applications automatically roll over to the next semester if you are unable to graduate that semester.

### **3. Complete Exit Surveys**

Complete the [IPST Graduate Student Exit Survey](#). It is particularly important that you include an up-to-date email address that you will check regularly in case we have important communications regarding your clearance, diploma, or financial accounts.

### **4. Submit CHPH M.S. Requirements Form**

Complete the [NON-THESIS Option form](#), then get your advisor's and the Chemical Physics Director's signatures. Email the form to [chemphysics@umd.edu](mailto:chemphysics@umd.edu) or submit it to the coordinator in 2123 IPST by **April 29, 2024**.

### **5. Commencement**

#### **Ceremony Information**

#### **[Campus Ceremony](#)**

May 20, 2024 at 7 pm in SECU Stadium

RSVP not required.

[Sign up here](#) to receive email updates about Spring 2024 Commencement

#### **[CMNS Graduate Ceremony](#)**

May 20, 2024 at 10 am in Memorial Chapel

**RSVP required to participate.**

Contact: [Amy Chester](#)

#### **Clearance**

Settle balances on your [student account](#).

Deadlines for Spring 2024

## M.S. in Chemical Physics – NON-THESIS Option

### Regalia

[Purchase or rent regalia](#) from the University Book Center. Proper regalia is required to participate in commencement.

### Diploma

Diplomas will be mailed several weeks after graduation. If you need to update your diploma mailing address, please contact Diploma Services at [diploma@umd.edu](mailto:diploma@umd.edu).
