Deadlines for Spring 2024

GUIDE TO GRADUATING

M.S. in Chemical Physics – NON-THESIS Option

1. Check the Requirements
   Ensure you have met (or will meet by the end of the semester) all the requirements to earn a M.S. in Chemical Physics here.

2. Apply for Graduation
   Submit the Application for Graduation by February 6, 2024.

   Applications automatically roll over to the next semester if you are unable to graduate that semester.

3. Complete Exit Surveys
   Complete the IPST Graduate Student Exit Survey. It is particularly important that you include an up-to-date email address that you will check regularly in case we have important communications regarding your clearance, diploma, or financial accounts.

4. Submit CHPH M.S. Requirements Form
   Complete the NON-THESIS Option form, then get your advisor’s and the Chemical Physics Director’s signatures. Email the form to chemphysics@umd.edu or submit it to the coordinator in 2123 IPST by April 29, 2024.

5. Commencement
   Ceremony Information
   - **Campus Ceremony**
     May 20, 2024 at 7 pm in SECU Stadium
     RSVP not required.
     Sign up here to receive email updates about Spring 2024 Commencement
   - **CMNS Graduate Ceremony**
     May 20, 2024 at 10 am in Memorial Chapel
     RSVP required to participate.
     Contact: Amy Chester

Clearance
Settle balances on your student account.
Deadlines for Spring 2024
M.S. in Chemical Physics – NON-THESIS Option

Regalia
Purchase or rent regalia from the University Book Center. Proper regalia is required to participate in commencement.

Diploma
Diplomas will be mailed several weeks after graduation. If you need to update your diploma mailing address, please contact Diploma Services at diploma@umd.edu.
