

The Burgers Program for Fluid Dynamics

**Fifth Annual Symposium
of the
Burgers Program
for Fluid Dynamics**

**Friday, November 14, 2008
1:00 - 5:30 p.m.**

University of Maryland, College Park
Jeong H. Kim Engineering Building
Rooms 1107 and 1111

Invited Lecturers:

Wim van Saarloos - Burgers Lecturer
J.M. Burgerscentrum, Leiden University

Eitan Tadmor
University of Maryland

Elaine Oran
Naval Research Laboratory

José M. Ortiz de Zárate
Complutense University, Madrid

Sponsored by:
Institute for Physical Science and Technology
College of Computer, Mathematical and Physical Sciences
A. James Clark School of Engineering
Department of Physics
Department of Mechanical Engineering
